

Discussion section debate #1

Debate question: Is it morally permissible to have or perform an abortion at ≤ 13 weeks' gestation when doing so is not necessary to save the life of the mother?

Group 1: Provide reasons to think that it *is* morally permissible.

Group 2: Provide reasons to think that it is *not* morally permissible, i.e., that it is *morally wrong*.

Group 3: Discuss the debate rubric and use it to assess the debate.
